

WHAT TO PACK!

Finding a chair by the pool and making sure the bartender has your *piñas* on automatic refill should be your only concern. For a stress-free trip, don't forget these essentials at home.

- ✓ A broad-spectrum SPF. We love **Supergoop! SPF 40 Antioxidant-Infused Sunscreen Day Cream, \$16.**
- ✓ Not only can the sun age you, it can also cause dryness and fading to hair. Make sure you're protected with **Paul Mitchell Sun Shield Conditioning Spray.** It works on both natural and colored hair.
- ✓ Those pomegranate martinis and goblets of sangria you'll be enjoying can leave your teeth less than white. **Colgate Optic White, \$3.99 (1),** gets rid of stains quick.
- ✓ Save room in your bag for Duty Free goodies and carry all of your makeup must-haves in one convenient palette. We like **Pixi Soft Focus Fresh Palette, \$34 (2).**
- ✓ We love a mascara that gives off a false lash look, yet stays put even when we're swimming. **Mary Kay's Lash Love Waterproof Mascara, \$15,** won't smear.
- ✓ A lip treatment that leaves your pout kissably soft, contains SPF 15, and gives a gorgeous tint. **Fresh Sugar Lip Treatment SPF 15 in Petal, \$22.50 (3).**
- ✓ Citrus notes make it bright enough for beach days; woody vanilla gives a sensual vibe for all-night-long dancing. **L'Eau d'Issey Summer Eau de Toilette, \$72.** ■
